# Welcome To ESNS 2016

Dr. Mohammed Al-Olama  
President  
Emirates Society of Neurological Surgeons

“ It gives me great pleasure to cordially invite you to attend the 1st International Facial Pain Symposium and 4th Emirates Society of Neurological Surgeons Conference at Mohamed Bin Rashid Academic Medical Center in Dubai Healthcare City on November 17-19, 2016.

Based on our last 3 successful editions, the organizing committee is honored to announce the 4th edition of Emirates Society of Neurological Surgeons Conference.

The committee introduces the 1st International Facial Pain Symposium on the 1st Day of the conference, which will attract neurosurgeons, neurologists, ENT specialists, dentists, general practitioners and residents.

We expect this year's conference to build upon the previous edition's initiative in bringing together a large number of practicing Neurologists and Neurosurgeons (nationally and regionally) within the Middle East Region and beyond.

We are fortunate to once again be able to call upon an outstanding group of high profile speakers that will cover different topics.

We look forward to have you with us in this meeting. ”

# ABOUT VENUE

The Mohammed Bin Rashid Academic Medical Center (MBR-AMC) at Dubai Healthcare City (DHCC), is a dedicated academic complex, including The Mohammed Bin Rashid University of Medicine and Health Sciences, The Al Maktoum Medical Library, and The Khalaf Ahmad Al Habtoor Medical Simulation Center. It was established to improve the access and quality of healthcare education within Dubai and UAE. In delivering that purpose, one of the main functions of DHCC is to promote high standards of medical education and training so that patients now and in the future can be confident that they will receive safe, high quality medical care from trained professionals.

The MBR-AMC now has the infrastructure in place to become a hub for world-class healthcare education in Dubai, UAE and the region.

# ATTRACTIONS AND LOCATION MAP

## PLACES TO VISIT

## WEATHER

In the summer, the weather in Dubai is very hot and humid, with temperatures reaching 45 °C (113 °F). Even the sea temperature reaches 37 °C (99 °F), with humidity averaging over 90%.
